INFORMATION SHEET

CLOSE PROTECTION SECURITY OFFICERS – BODYGUARDS

Completing this course will enable one to apply for a 1B Licence. This license allows one to provide close personal protection activities. This course only provides a statement of attainment.

In some instances, companies may insist that their employees hold a full Certificate III in Close Protection (CPPSEC31418).

It is essential that you make enquiries with potential employers before you decide upon which course you undertake.

ENTRY REQUIREMENT

CPP20218 Certificate II in Security Operations **OR** Current Class 1 NSW security licence. SLED mandated Language, literacy, and numeracy assessment

THE ENROLMENT PROCESSES

You will need to complete an enrolment form followed by a basic Language, Literacy and Numeracy (LL&N) assessment which takes place at our office. To book in for a Literacy and Numeracy assessment you will be required to pay a non-refundable deposit of \$150. Training will commence after the payment arrangement has been confirmed. This assessment is mandatory and ensures that you have the essential language skills to complete the security training course. **You are required to provide 100 points of ID to enroll in this course.** You will also be requested to read the Fact sheet 6 - "Am I Eligible for a NSW Security License" and sign the P1016 Form - "Acknowledgement of Fact sheet 6" (Grounds for refusing or revoking a Class 1 or Class 2 License).

UNIQUE STUDENT IDENTIFIER

All students undertaking any training in Australia, under Federal Government requirements, are to provide a unique student identifier USI. The USI is linked to the National Vocational Education and Training (VET) Data Collection, and this means an individual's nationally recognised training and qualifications gained anywhere in Australia, from different training organisations. You can obtain your USI at <http://www.usi.gov.au/create-your-USI/Pages/default.aspx>. Please attach your USI to your enrollment form.

PREPARING FOR WORK IN THE SECURITY INDUSTRY

It is important to know that the trainee should have reasonable health, fitness, and competency under stress. The role / function of a security operative may require performance of duties under stressful and dangerous circumstances. Suitable physical education training, including self-defense, can be arranged, where issues of health/fitness and leadership qualities need to be addressed. The minimum age requirement for a security license is 18, though training can commence beforehand.
